

**ROUND LARGE EYELID B/HEAD 240MM BLACK 1X100W**

This large round bulkhead is made of durable die-cast aluminium and comes in classic black. The frosted glass lamp shade provides a soft glow, while the E27 lamp base supports up to 100W of power. With an IP54 rating, it's resistant to dust and water. Measuring 240mm in diameter and 125mm in depth, this non-dimmable bulkhead is perfect for outdoor lighting needs.
